Security Procedures

Please note that smoking, eating, or drinking is not allowed while taking your exam.

If you are taking your exam via Web Delivery, note the following:

- You must take your exam in a private room, free from distractions.
- You can launch the exam within 30 minutes of your appointment time.
- Your location must support Voice over Internet Protocol (VoIP) in order to complete the exam.
- Corporate firewalls and VPNs may restrict user access. It is recommended that you use a personal device.

Required Identification Documents

Government-issued ID

Note: Please refer to your program's Candidate Information Guide for additional required documentation
